

English

In class we are reading 'Charlie and the Chocolate Factory' by Roald Dahl. We will be writing our own play script and exploring other Roald Dahl stories.

Our poetry for this half term will be focused on Haiku Poems, we will be reading 'H is for Haiku' by Sydel Rosenberg and writing our own Haiku poems.

Science

Our science topic this half term is forces and magnets. We will be learning to:

- Compare how things move on different surfaces.
- Notice that some forces need contact between two objects, but magnetic forces can act at a distance.
- Observe how magnets attract or repel each other and attract some materials and not others, giving reasons.
- Compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials.
- Describe magnets as having two poles.
- Predict whether two magnets will attract or repel each other, depending on which poles are facing.
- Know how a simple pulley works and use one to lift an object.

Music

In music we will be focusing on learning a new song called 'The Dragon Son' this is a song about kindness, respect, friendship, acceptance and happiness.

Year 3 Knowledge Organiser Spring 2025

RHE

Will be all about Relationships and Living in the Wider World Community.

We will:

- Explore different types of families and how families care for us.
- Understand that we belong to different groups in the community and know what is

Computing

We will be identifying different ways that the internet can be used for communication.

PE

This half term we are doing athletics.

Spanish

In Spanish this term we will be learning about weather in Spanish.

Mathematics

In maths we are learning about;
Fractions- being able to recognise fractions of a shape, set of objects or amounts.

Division- understanding division as repeated subtraction.

Volume, capacity and mass - being able to measure and add the volume of different containers.

Design and Technology

We are learning about cooking and nutrition.
We will learn about what a 'balanced meal' is and design, make and evaluate our own balanced meal.

History- Ancient Egypt.

We are starting a brand new Topic this half term based on Ancient Egypt. The children are going to love exploring this ancient civilisation. We will be learning all about mummification, finding out about the pyramids and understand that the ancient Egyptians gave us things we use today.

R.E

In RE we will be looking at the concepts of God and Creation and looking at the Bible's 'Big Story'.
