**Headteacher: Mrs K Ferguson**

## Introduction

I am absolutely delighted to introduce myself as Kayleigh Ferguson, the new Headteacher of St Andrew's Methodist Primary School. It is a genuine privilege to join such a special school community, and I am very much looking forward to getting to know our children, families and staff.

I have worked in education for 15 years, including 8 years as a Headteacher at a primary school in Wigan, where I supported the school in its journey out of Special Measures. Throughout my career, I have developed extensive experience of working with children with SEND and in communities with high levels of deprivation. These experiences have shaped a strong belief that every child, regardless of their starting point, can succeed.

I am deeply passionate about education and believe schools should be places where children feel safe, valued and inspired. High expectations for learning, behaviour and community are central to my approach, alongside a firm belief that every child can achieve and be supported to become the very best version of themselves. Learning should be engaging, fun and appropriately challenging, helping to develop high aspirations, resilience and a strong 'can do' attitude. This is underpinned by strong partnerships between school, parents, children and the wider community.

On a personal note, I have two very young children and cherish time spent with them and my husband. Family is at the heart of my life and strongly shapes my commitment to ensuring every child feels valued, supported and cared for.

I very much look forward to getting to know you and your children, and to working together to ensure every child thrives.

Mrs Ferguson
